

COMMUNITY GARDEN PLOT: AMETHYST BROOK CONSERVATION AREA

DIRECTIONS: From Amherst Center, follow Main Street east through the Northeast Street intersection. Main Street becomes Pelham Road at this point. Continue to follow Pelham Road east for approximately 1 mile and park in the lot (to your left) for the Amethyst Book Conservation Area.

PLOT SIZES: Amethyst Brook plots are large, approximately 30' x 60', and therefore not recommended for novice gardeners.

WATER SOURCE: Amethyst Brook is the only water source and can be reached via a number of nature trails leading in and out of the conservation area.
